(A) **Fiscal Year Budget 2014-2015**

Perry Barton made a motion to accept the proposed fiscal year 2014-2015 with a modification. Perry would like to modify the proposed budget with an additional amount of money going to the library. The logic is that the beginning of the County's fiscal year October 1<sup>st</sup>. If we cut the library budget at this particular time and there is not money in the county budget to cover that amount we are asking them to pick up, the library is going to have to immediately reduce services, reduce staffing, children's programs, etc. and we are friends of the library so he would like to modify the proposed budget by increasing the library funds \$13,875.00. That will cover the difference for the months of July, August and September. That will carry the library to the deadline for the county budget and at that particular time, we will have to have that resolved. David Huth seconded the motion. Unanimous.
