Price Street Closure/ Price will close at SR211 on September 8th.

This letter serves as a 14-day notice that ERS will be permanently closing Price Street on September 8th, 2026. This closure will allow for the continued construction of the SR 316 WB on ramp at Bethlehem Rd (Ramp D) as well as the construction of the Price Street cul-de-sac. DMS Signs will be placed at both ends of the Price Street closure on August 25th, 2026, and they will display the closure date until the day of the closure. One message board will be placed at the intersection of Price Street & Bethlehem Rd, and one will be placed between McCarty Rd & the entrance of the ERS Price Street borrow pit and will display "Road Closed" & "Local Traffic Only" until Price St. is re-opened. TP 3 Barricades and "Road Closed" signs will also be utilized to supplement the message boards.
