EAGLE SCOUT PROJECT

The City of Statham would like to Thank James Long for choosing us for his Eagle Scout project. As you walk along the paths through out Robert Bridges Park, take time to notice the bird houses hand built by James.

SEWER

Did you know that disposable wipes and feminine products can cause damage to the sewer system? If you are on sewer through the City of Statham, please refrain from flushing these items down the drain. These items do not dissolve and they can cause major damage to the sewer system and possibly a sewage back up into your home.
