assistant city attorneys as may be authorized by ordinance. The city attorney shall be responsible for representing and defending the city in all litigation in which the city is a part, shall be the prosecuting officer in the mayor's court, and shall advise the council, mayor and other officers and employees of the city concerning legal aspects of the city's affairs.¹¹

Section 3.05. Mayor's Court. A mayor's court, presided over by the mayor, or in his absence, by the vice mayor, is hereby established, which shall have jurisdiction over violations of this Act and ordinances of the city. The mayor's court shall also have concurrent jurisdiction with that of a justice of the peace over offenses against the criminal laws of the State committed within the city. The mayor, in his capacity as judge of said court, shall have authority to impose fines, costs, forfeitures, and imprisonment in a jail or workhouse, as provided in this Act and by ordinance, and except as provided in this Act, his authority and powers and the procedure in the mayor's court shall be the same as provided by State law for a justice of the peace. Appeals from the mayor's court shall be to the Superior Court of Barrow County in the same manner as appeals from the courts of ordinary. Warrants, subpoenas and other processes of the mayor's court shall be executed by police officers of the city, who for such purposes shall have the same powers and authority of a sheriff in executing process of a superior court. The city clerk shall act as a clerk of the mayor's court.

Section 3.06. Other officers and employees. After receiving the written recommendations of the mayor, the council may establish by ordinance offices and positions of employment and may abolish, combine or modify them in accordance with such recommendations. The powers and duties of such offices and positions of employment may be defined by ordinance, and if not defined by ordinance shall be

defined in formal rules and regulations issued by the mayor as provided in Section 2.14 of this Act, but in any event the mayor may require officers and employees of the city, except those appointed by and accountable to the council, to perform such additional duties as may be considered necessary by him for the proper and efficient conduct of the city's affairs. Public utilities owned or operated by the city may be under the supervision of the mayor and employees appointed by him or may be under boards or commissions appointed by and answerable to the council, as provided by ordinance. The salaries of all employees of the city shall be fixed by ordinance under a pay plan applying uniformly to all employees having similar responsibilities and doing like work.

Section 3.07. Appointment, suspension and removal of employees. All employees of the city, except as otherwise provided in this Act, shall be appointed, promoted, demoted, transferred, suspended and removed by the mayor. During a suspension an employee's salary may be reduced or eliminated, as determined by the mayor. Before suspending for more than thirty days or removing an employee, the mayor shall serve the employee with a written notice of intention to suspend or remove him, containing a clear statement of the grounds for such proposed action and notification that the employee may appeal to the city council by filing, within ten days, with the city clerk written notice of his intention to do so. The decisions of the city council in cases of such appeals by employees shall be final.

Section 3.08. Oath of office. Before a person takes any office in the city government, he shall take, subscribe to, and file with the city clerk the following oath or affirmation:

"I solemnly swear (or affirm) that I will support the Constitution and will obey the laws of the United States and of the State of Georgia; that I

will, in all respects, observe the provisions of the charter and ordinances of the City of Statham, and that I will faithfully discharge the duties of the office of _____."

Section 3.09. Official Bond. The mayor and every officer, agent, and employee of the city having duties embracing the receipt, disbursement, custody, or handling of money, and other officers and employees as may be required by ordinance, shall give a fidelity bond or faithful performance bond, as provided by ordinance, with some surety company authorized to do business in the State of Georgia as surety, in such amount as shall be prescribed by ordinance. All such bonds and sureties thereto shall be subject to approval by the council. The cost of such bonds shall be paid by the city. All such bonds shall be kept in the custody of the city clerk, except that the city clerk's bond shall be in the custody of the mayor.

Section 3.10. Political Activity Prohibited. No officer or employee of the city, other than the mayor and councilmen, shall continue in the employment of the city after becoming a candidate for nomination or election to any public office. No person shall directly or indirectly give, render, or pay any money, service or other valuable consideration to any person for or on account of or in connection with any test, appointment, proposed appointment, promotion, or proposed promotion to any office or position of the city government. No person shall orally, by letter, or otherwise solicit or be in any manner concerned in soliciting any assessment, subscription or contribution for any political party or political purpose from any officer or employee of the city. An officer or employee of the city, other than the mayor and councilmen, shall not make any contribution to the campaign funds of any candidate in any city election, and shall not take part in the management, affairs or political campaign of any city election, other than in the exercise of his rights as a citizen to express his opinions and to cast his

vote. Any person who by himself or with others willfully or corruptly violates any provision of this section shall be guilty of a misdemeanor and shall upon conviction thereof be punished by a fine of not more than fifty dollars (\$50.00), or by imprisonment for not more than one year, or by both such fine and imprisonment. Any person who is convicted under this section shall be ineligible to hold any office or position of employment in the city government for a period of five years thereafter, and if he be an officer or employee at the time of conviction, shall immediately forfeit and vacate the office or position he holds.

ARTICLE IV.

FISCAL ADMINISTRATION.

Section 4.01. Fiscal Year. The fiscal year of the city government shall begin on the first day of July and shall end on the thirtieth day of June of the Succeeding year, but another fiscal year may be fixed by ordinance for the entire city government or for any utility.

Section 4.02. Mayor to submit Annual Budget. On or before a date fixed by the council but not later than forty five days prior to the beginning of each fiscal year, the mayor shall submit to the council a proposed budget for the next fiscal year, showing separately for the general fund, each utility, and each other fund the following: (a) revenue and expenditures during the preceding fiscal year, (b) Appropriations and estimated revenue and expenditures for the current fiscal year, (c) estimated revenue and recommended expenditures for the next fiscal year, (d) a comparative statement of the assets, liabilities, reserves, and surplus at the end of the preceding year and estimated assets, liabilities, reserves and surplus at the end of the current fiscal year, and (e) such other information and data, such as work programs and unit costs, in justification of recommended expenditures, as may be considered necessary by the mayor or requested by the council. The mayor may recommend and estimate additional revenue measures, providing such estimates are separated clearly from normal revenue estimates. The budget shall be accompanied by a message from the mayor containing a statement of the general fiscal policies of the city, the important features of the budget, explanations of major changes recommended for the next fiscal year, a general summary of the budget and such other comments and information as he may deem pertinent. A sufficient number of copies of the mayor's message shall be reproduced to furnish a copy to any person desiring one, at cost of reproduction, and a copy of the

budget in full shall be filed with the council and furnished to each councilman.

Section 4.03. Public Hearing. After receiving the budget from the mayor, the council shall fix a time and place for a public hearing thereon and shall cause a public notice thereof to be posted at a public place designated by the council at least ten days in advance of the date of the hearing. The public hearing shall be held before the council at the stated time and place, and all persons present shall be given an opportunity to be heard.

Section 4.04. Action by Council on Budget. After the public hearing and before the beginning of the ensuing fiscal year the council shall adopt an appropriation ordinance, based on the mayor's budget with such modifications as the council considers necessary or desirable. Appropriations need not be in more detail than a lump sum for each department and agency. The council shall not make any appropriations in excess of estimated revenue, except to provide for an actual emergency threatening the health, property or lives of the inhabitants of the city; providing the council unanimously agrees there is such an emergency. If emergency conditions prevent the adoption of an appropriation ordinance before the beginning of the new fiscal year, the appropriations for the last fiscal year shall become the appropriations for the new fiscal year, subject to amendment as provided in this section. Amendments may be made to the original appropriation ordinance at any time during a current fiscal year after a public hearing before the council on five days notice posted at a public place designated by the city council, provided that increased appropriations may be made only after the mayor has certified in writing that a sufficient amount of unappropriated revenue will be available, except for emergency appropriations as provided above. Any portion of an annual appropriation remaining unexpended and unencumbered at the close of a fiscal year shall

lapse and be credited to the general fund, except that any balance remaining in any other fund at the end of a fiscal year may remain to the credit of that fund and be subject to further appropriation. At the end of each month the mayor shall submit a detailed budget report to the council, showing estimated and actual receipts and expenditures or encumbrances for that month and the fiscal year to the end of that month, as well as the amount encumbered or expended in excess of any of the itemized estimates of expenditures supporting the appropriations.

Section 4.05. Allotments. The mayor shall have authority to make periodic allotments of appropriated funds, and no contracts or purchases, except those made by the council, may be made in excess of the amount allotted by the mayor for any allotment period. In no event may contracts or purchases be made in excess of appropriations. Any expenditures except for salaries and wages may be reduced or eliminated through such allotment control.

Section 4.06. Contracts and Purchasing. The City Council may by ordinance establish contracting and purchasing procedures; provided, however, that no contract with the City shall be binding on the City unless:

1. It is in writing;
2. It is drawn by or submitted and reviewed by the City Attorney, and as a matter of course, is signed by the City Attorney to indicate approval of the form;
3. It is reviewed as to substance by the Mayor (or the Mayor's designee) and the director of the department most affected by the contract, signed by such director to indicate approval as to substance, and signed by the Mayor;

4. If it involves the expenditure of more than twenty-five thousand dollars (\$25,000.00), it is authorized by the City Council, and such approval is entered in the minutes; and
5. It is attested to by the City Clerk.¹²

Section 4.07. Sale of City Property. The mayor may sell any city property which is obsolete, surplus or unusable, if the acquisition cost of such property did not exceed five hundred dollars (\$500.00), without taking bids, but sealed bids shall be taken or a public auction shall be held for any sale of property having an acquisition cost of more than five hundred dollars (\$500.00); provided that any sale of real estate shall be subject to approval by the council.¹³

Section 4.08. Annual Audit. The council shall employ a certified public accountant to make an annual audit of all financial books and records of the city. The accountant shall file his report with the council, at a time agreed to between him and the council, and shall prepare a summary of the report which shall be posted in a public place designated by the city council.

Section 4.09. Property Taxes. All property subject to taxation for State or county purposes, including the capital stock of merchants and public service companies, assessed as of January 10 in each year, shall be subject to the property tax levied by the city. The council by ordinance may elect to use the county assessment or may provide for an independent city assessment as provided by Georgia law. If an independent city assessment is made, a board of

equalization, consisting of three persons appointed by the council, with compensation fixed by ordinance, shall hear appeals of taxpayers taken within ten days after the city assessor has sent a notice by ordinary mail of a new or increased assessment; provided that such notice shall not be required nor may appeals to be taken in the case of initial city assessments that are the same as county assessments. Except as otherwise provided in this section, appeals involving city property assessments may be taken as provided by general law. The board of equalization may increase or decrease the assessment of all property of the same class by a uniform percentage, in which case individual notices shall not be mailed but a notice of such action shall be published once in the official city newspaper; such a blanket increase or decrease shall not be subject to appeal. The authority and duties of such city assessing personnel shall be the same as those provided by general law for county assessing personnel. The city assessor shall meet with and assist the board of equalization. The board of equalization, upon completion of its work, shall submit a written report to the council, including total increases and decreases made by it and the final total assessment of each class of property.

Section 4.10. Tax Levy. The council shall make a tax levy expressed as a fixed rate per one hundred dollars (\$100.00) of assessed valuation, and if no tax levy is made within ninety days prior to the tax due date, or within ninety days prior to the due date of a second installment if two installments are authorized by ordinance, the property tax rate in effect the last fiscal year shall continue in effect as the tax rate for the new fiscal year.

Section 4.11. Tax Due Dates and Tax Bills. The due dates of property taxes shall be fixed by ordinance and provision may be made for equal semi-annual installments. The city shall send tax bills to taxpayers, showing the assessed valuations, amounts of taxes due, tax due dates, and information as to delinquency

dates and penalties. Failure to send tax bills shall not, however, invalidate any tax. Property taxes shall become delinquent thirty days after a due date, and after one-hundred and twenty (120) days, a penalty of five per cent (5%) with an additional five per cent (5%) assessed after each successive one hundred and twenty (120) days to a maximum penalty of no more than 20% of the original principal amount due, and thereafter such taxes shall be subject to interest at the rate equal to the then existing Federal Prime Rate plus three per cent (3%). On and after the date when such taxes become delinquent, the tax records of the city shall have the force and effect of a judgment of a court of record.¹⁴

Section 4.12. Collection of Delinquent Taxes. The council may provide by ordinance for the collection of delinquent taxes by distress warrants issued by the mayor for the sale of goods and chattels to be executed by any police officer of the city under the laws governing execution of such process from a justice of the peace, or by the county trustee as provided by general law, or by the city attorney acting in accordance with general laws providing for the collection of delinquent city or county taxes, or by any two or more of the foregoing methods, and by the use of any available legal process and remedies. A lien shall exist against all property on which city property taxes are levied, as of the assessment date of January 10 of each year, which shall be superior to all other liens except that it shall have equal dignity with those for Federal, State or county taxes.

Section 4.13. Special Assessments. The city may assess all or part of the cost of constructing, reconstructing, widening, or

improving any public way, sewers, or other utility mains and appurtenances, against the abutting property owners, under such terms and conditions as may be prescribed by ordinance. Such special assessments shall become delinquent thirty days after their due dates (after the due date of each installment if paid on an installment basis), shall thereupon be subject to a penalty of seven per cent (7%), and shall thereafter be subject to interest at the rate of one per cent (1%) for each month or fraction thereof until paid. A lien shall exist against the abutting property superior to all other liens, except that it shall be of equal dignity with liens for county and city property taxes, and said lien shall be enforceable by the same procedures and under the same remedies as provided in this article for city property taxes.

Section 4.14. Disbursements by Checks. All disbursements shall be made by checks signed by the city clerk.¹⁵

Section 4.15. Official Depository. The council shall designate an official depository or depositories for deposit and safekeeping of the funds of the city, and may require such collateral security as it deems necessary.

¹⁵ There is a note in the Charter I was provided saying that this provision was changed to require two signatures. This change was apparently made effective March 30, 1989, but I have been unable to locate either a Local Act of the General Assembly or a Home Rule Amendment changing this provision. It is possible that the City Council adopted an ordinance or purchasing policy that supplements this provision, but I have not been able to locate any such ordinance.

ARTICLE V.

MISCELLANEOUS

Section 5.01. Restriction on Actions for Damages Against City. No action shall be maintained against the city for damages unless a written statement by the claimant or by his agent, attorney or representative, setting forth the basis for his claim, shall have been filed with the mayor within sixty days after such cause of action shall have occurred, except that when the claimant is an infant or non compos mentis, or an injured person died within sixty days, the time limit for filing a claim shall be one hundred and twenty days. No officer or employee of the city may waive this requirement.

Section 5.02. General Laws may be used. The council in its discretion may elect to use the provisions of any general laws of the State in addition to or instead of the provisions of this Act.

Section 5.04. Severability. If any article, section, subsection, paragraph, sentence, or part thereof, of this Act shall be held to be invalid or unconstitutional, such invalidity or unconstitutionality shall not affect or impair other parts of this Act unless it clearly appears that such other parts are wholly and necessarily dependent upon the part or parts held to be invalid or unconstitutional, it being the legislative intent in enacting this Act that each article, section, subsection,

paragraph, sentence, or part thereof, be enacted separately and independently of each other.

Section 5.05. Referendum section. Not less than 10 nor more than 30 days after the approval of this Act by the Governor, or after it otherwise becomes law, it shall be the duty of the mayor and council of the City of Statham to issue the call for an election for the purpose of submitting this Act to the Voters of said city for approval or rejection. The mayor and council shall set the date of such election for a day not more than 45 days after the date of the issuance of the call. The mayor and council shall cause the date and purpose of the election to be published once a week for two weeks immediately preceding the date thereof in the official organ of Barrow County. The ballot shall have written or printed thereon the following words:

"For approval of the Act providing a new charter for the City of Statham."

"Against approval of the Act providing a new charter for the City of Statham."

All persons desiring to vote in favor of the Act shall vote for approval, and those persons desiring to vote for rejection of the Act shall vote against approval. If more than one-half of the votes cast on such question are for approval of the Act, it shall become of full force and effect, otherwise it shall be void and of no force and effect. The expense of such election shall be borne by the City of Statham. It shall be the duty of the mayor and council to hold and conduct such election. They shall hold such election under the same laws and rules and regulations as govern general elections, except as otherwise provided

herein. It shall be the duty of the mayor and council to canvass the returns and declare and certify the result of the election. It shall be their further duty to certify the result thereof to the Secretary of State.

Section 5.06. All laws and parts of laws in conflict with this Act are hereby repealed.
